**RENEWAL OF EXPLORATION LICENCE EL 1165 (WOWO GAP PROJECT)**

Niugini Nickel Limited (100% subsidiary of Resource Mining Corporation Limited; ASX:RMI) has received advice from the Registrar of the Mineral Resources Authority of Papua New Guinea that the Mining Minister has granted the renewal of the tenement EL 1165 without additional conditions for a further 2 year term from 1 March 2012 to 28 February 2014.

RMI welcomes the news of the tenement renewal providing certainty of tenure for the immediate future with our planned work programs to continue.

In addition, Niugini Nickel has received confirmation of grant of two additional Exploration Licences: EL 1979 and EL 1980, both adjacent to EL 1165. The two new ELs each have 2 year tenure expiring on 28 September 2014, with Niugini Nickel having right to apply for renewal at that time.

Yours faithfully,
